

Sunday 9th July 2017

Dear Katie,

I wanted to thank you and Robinson's for your generous donation of refreshments for the interval of my Songs from the Shows for Age Concern IOM on Saturday 1st July.

I am very happy to be able to tell you that from the show we raised £615 from ticket sales, £121 from the raffle and £42.50 from the refreshments you donated. All together, we managed to raise £830.36 (including donations) for Age Concern, with an additional £57 worth of votes.

We really can't thank you enough! The money we raised thanks to your donation will be enabling Age Concern to carry on their amazing work with the elderly community through things such as their advice line, educational computer clubs and the 1200 meals on wheels they provide a week!

Sincerest thanks,

Niamh Murdoch (finalist for Miss IOM 2017)
