Dear Sir/Madam

## **Braddan Parish Day**

I write on behalf of the Commissioners and parishioners of Braddan to thank you for your support for last Mondays event.

Whether you were present on the field, donated money, or gave a raffle prize, it all added to the occasion and your contribution was very gratefully received.

The Commissioners themselves raised over £1000 for charity by donations, pitch fees and the raffle and I am sure the Chairman's chosen charities will appreciate this contribution to their funds.

The weather was a little uncertain at the start of the day but it picked up and we stopped counting after 3500 people had come on to the field through the car park. There were undoubtedly more that had walked or had parked elsewhere, and the day was busy from start to finish.

All in all the Commissioners found there to be a perfect mix of entertainment and the jazz band was very well received by all and certainly kept the day rolling along in good spirits.

We will continue to look at ways to improve any future occasions and if you have any comments or feedback we would be delighted to hear from you. These can be submitted via our Facebook page, email ([braddan@braddan.im](mailto:braddan@braddan.im)) or on the attached feedback form which can be returned unsigned if you would like to remain anonymous.

Thank you once again for your participation which made for a very fruitful and enjoyable day.

Yours faithfully

J C Whiteway  
Clerk
