Dear Katie, Janna, Dave and Mark

I am writing on behalf of the School Nursing Team who would like to thank you for so generously supporting them to achieve a very successful 'Healthy Eating Week'.

The feedback has been very positive and the sessions were enjoyed by the children, teachers and the school nursing team. We are looking forward to seeing the competition entries when they are returned. The week also attracted a fair amount of media interest which will help raise the profile of healthy eating in schools.

The children were grateful for all the fruit you supplied which they enjoyed on the day, which will hopefully encourage them to make healthier breakfast choices in the future.

Thank you again for your support.

Kind regards

*Ann*
