Dear Janna,

Thank you so much for your kind donation of a prize for our raffle at Gansey Day Centre. Our Day-Centre Re-Launch day was a huge success. We raised over £500 which will enable us to provide our clients with little extras such as trips out and help towards the cost of new activities to enhance their quality of life. It is thanks to people like you that will enable us to do this.

Many thanks Again

Kind Regards

Kellie
