Dear Katie

CHARITY FITNESS WORKOUT – FUND RAISING FOR THE HOSPICE

Just a quick update to advise that the fund raising charity event was a tremendous success of Saturday. The girls' at the gym put a lot of effort into their three hour work out, and raised a total of £300.00, which will go the Hospice.

It was with your kindness and generosity that the event was such a success, and your contribution was truly appreciated.

Eve has sent a series of photographs to the Isle of Man Newspapers Group, and we hope that the newspapers will publish the photographs and the associated story, along with a mention of your company's contribution to the event.

Thanking you again for your generosity.

Yours sincerely

Des Brookes
