I contact you as a member of Harlequins Hockey Club, we are soon to be holding our Annual Awards Evening and fundraising event for the club and it's Junior members, on the 17th May at the Hydro Hotel Douglas.

The event will be a much needed opportunity to generate funds for the club, to aid the supply of additional team kit and coaching equipment as well as a chance to reward the younger players in the club with a fun evening of festivities.

As one of the founder member clubs of the Isle of Man Hockey Association, Harlequins Hockey Club continues to strive to expand and improve its junior hockey teams, to help improve the senior teams in the club by developing our promising youngsters.

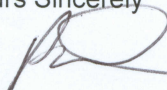

It is our goal to introduce new players to the sport, of all ages, but are particularly keen to develop the skills of younger players in our various age based teams from 7 year olds to 16 year olds, bringing them through into senior hockey with adults, as and when they are ready.

In order to meet our goal and provide children and young adults in our community the opportunity to compete in a new sport, we rely on the generosity of individuals and businesses for support. Without the assistance of community-minded individuals just like you, we wouldn't be able to continue each year with this rewarding coaching scheme.

We would like to ask if you would be kind enough to make a commitment to support our event by making a donation or proving a prize for our raffle. Your generosity will make a difference to our club by allowing us to continue helping young people join our sport and develop their interest in Hockey.

I look forward to hearing from you.

Yours Sincerely
