Dear Mr Horsthuis,

It is the time of year when we start planning our annual SOS Day event where we serve 'Soup or Spuds' throughout lunchtime along with coffee, cakes, tombola etc. In 2013 you were kind enough to send us a £20 voucher and allowed us a discount on our purchases.

We would be very grateful if you could provide the same for us in 2014. I enclose a list of our requirements and query whether you would be prepared to deliver them or would require us to collect them.

- 1 box (50) baking potatoes
- 3 packets salad leaves
- 1 cucumber
- 3 punnets cherry tomatoes
- 3 red onions
- 1 box handipak butter (200)
- 1 Tub 2 kg coleslaw

I look forward to hearing from you,

yours sincerely
