Dear John

Re: Donation of £50.00 Food for Auction – The Event – 25th January 2013 – The Manx Legion

We are writing to thank you for your very generous donation of £50.00's worth of food for an auction prize for the Head Chef of Government House to cook for 4 people. We really appreciate your support as we are developing new services in line with the needs of our clients. A fantastic amount of £3,340.00 was raised.

Your donation is very important to us in helping us to carry out our charitable purposes. We are a charity for cancer patients and their families, carers and friends who seek expert counselling to help them cope with the difficult issues triggered by a cancer diagnosis.

We offer experienced specialist counsellors giving a confidential service both face-to-face and over the telephone. Talking to a counsellor experienced in cancer issues can help ease the sense of isolation people may feel and help them find ways to face the challenges ahead.

We have also experienced a considerable increase in applications from cancer sufferers who are struggling with the financial burdens due to their change in circumstance. We try to provide whatever support we can to local cancer sufferers their families and carers.

Many thanks again for your generous donation.

Best wishes,

Ally Martin
Fundraising Events Co-Ordinator
