Dear Mr Horsthuis,

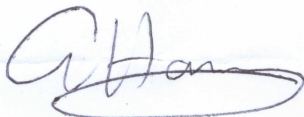

We would like to send you our sincere thanks for your help in making our instore fundraising day on Friday 26th November such a massive success. We are delighted to tell you that, with the help of your company and everyone in the communities around the Island, we raised the fantastic sum of:

£3970.47

Our chosen charity was Project 21 which was established in 2000 by five local Manx charities, Manx Mencap, Down's Syndrome Isle of Man, Autism in Mann, Manx Gateway and the Special Olympics Isle of Man. These five charities had a collective vision to build a new centre for people with learning difficulties. The building was handed over at the end of July 2007 and since then the Centre, named Centre 21, has been in use by various charities, and as a result many of these charities have been able to extend the range of activities they can offer their members from drama and music to all kinds of sport.

Raising this money would not have been possible without the generosity and support of our suppliers and customers and we thank you once again for your support.

Yours sincerely

Gillian Harvey
