Dear John

MoVember Fundraising

We are writing to express our sincere thanks for your contribution towards our MoVember fundraising campaign, raising money for the research and eradication of Prostate and Testicular cancer. We are on course to exceed our target amount and your generous donation has helped us on our way to achieving this goal.

Proof of our efforts can be found on the Today's website www.todays.co.uk.

Once again, thank you for your generosity and support.

Kind Regards

Bill Laird, John Schofield, John Baines, John Kinney
