Dear Paul

Thank you for giving us the opportunity to visit your World Food Market on Wednesday 3<sup>rd</sup> July 2013.

It was great to see the different varieties of fruit and vegetables that you stock and the huge variety of world foods too. It tied in very nicely with our BTEC Home Cooking course where we have been discussing the importance of eating a variety of foods particularly getting our 5 a day.

We thoroughly enjoyed the visit and talked about all of the great foods that you source and we particularly remembered the lobster!

Many thanks

Mrs Christian, Mrs Callow, Mark Wild & Ryan Kennish
