Finley's Footsteps

Dear Sir/Madam

Thank you very much for the lovely raffle prize which you kindly donated for our fundraiser at Da Vinci's. The event which took place last Saturday, was a great success and we raised a massive £521.00 on the night. We are a small community fund and this amount will go along way in continuing to support our educational work and ensure Finley's Footsteps can continue to make a positive contribution to the lives of people with dwarfism on the Isle of Man.

We have grown in strength over the last 3 years and we have been overwhelmed by the support, help and encouragement received from so many. I would like to take this opportunity to express my sincere gratitude and thanks. Your support to this cause has been invaluable.

If you would like to follow our progress, please join us on Facebook at Finley's Footsteps, there you will see some of the educational programs we have implemented as well as enabling opportunities for children with dwarfism on the Island to flourish through sport. We also provide adaptations for equipment to help further gain independence.

Thank you again - your help has been much appreciated.

Best wishes from everyone at Finley's Footsteps.

Warm Regards,

A handwritten signature in blue ink, appearing to read "Kristy Canipa".
