Dear Sir/Madam

I contact you to ask if you would consider helping us with our charity fund raising event, we are holding a dinner party in aid of Guide Dogs Isle of Man.

This charity is particularly close to my heart as my Mother lost her site around 12 years ago and has been aided by the Guide Dogs Isle of Man charity for the past 6 years. She has been fortunate enough to have been provided with a Guide Dog, called Piper, who has enabled her to carry on with her everyday life in a way she would not be able to without him.

To maintain a Guide Dog partnership costs around £5 per day and there are 10 Guide dogs on the Island so each year we need to raise in excess of £18,000.

The event we will be holding is a much needed opportunity to generate funds for the Guide Dogs Charity – Isle of Man, to enable blind and partially sighted people on the island to take maintain these invaluable partnerships with guide dogs.

It is our goal to help raise as much as possible at our event to go towards supporting these partnerships here on the Island.

In order to meet our goal and work towards raising funds for the Guide Dogs Isle of Man Charity, we have a target of raising £500 at the event.

Without the assistance of community-minded individuals just like you, we wouldn't be able to continue each year helping the blind and partially sighted in our community.

We would like to ask if you would be kind enough to make a commitment to support our event by making a donation. Your generosity will make a big difference to the Guide Dogs Isle of Man Charity, we appreciate your support!

I look forward to hearing from you.

Yours Sincerely

*Nicola Nuttall*
