Dear Sir

Re: Sponsorship for Hockey

Thank you so much for your reply and enclosed 'voucher' I gather it is a voucher as I am not sure.

I have not been to your store for some years now and not sure what to purchase to help my Grandson and his hockey achievement; however we are very grateful for your wonderful reply and gift and I am sure there is something in store to find, maybe if you do soap powder that would help with washing his kit; which requires a lot of washing being a goalie.

So thank you once again for your kind offer we will pop along soon to see what we can find.

Best wishes and many thanks

Yours truly
