Dear Katie,

Southern Befrienders – 10th Anniversary Tombola

I am writing to thank you and your colleagues at Robinsons for your generous donation of a £30 Voucher for our recent Tombola celebrating our 10th Anniversary.

I am pleased to say that the Tombola and our 10th Anniversary Afternoon Tea on the 11th July raised £1218.44. The Afternoon Tea was a great success with over 100 people attending, and the Tombola helped to raise the majority of the money. The funds raised will go a long way in helping us to continue our work supporting the local community.

We rely on the generosity of local businesses and individuals in order to run our organisation, and thank you again for your support.

With kind regards

Yours sincerely
