Dear all at Robinsons,

Friday night was truly a night to remember – and we would like to thank you so much for the magnificent basket of fruit – it really made the Raffle Table look inviting – and the Raffle made nearly £400 which was fantastic. We hope to just manage to squeeze the profit for the charities above the £2000 mark after all the costs are covered.

The best thing about it was that so many people ended up by getting involved – providing all sorts of different stuff and help and it was a joyous – and fairly noisy night!! The tickets were sold out – and the Parish Hall was heaving! We hope it will feature in the Examiner next week.

I know I can speak on behalf of everyone there – plus the Andreas Commissioners and Hospice Isle of Man and Ushi Shah and her orphanage, **to thank you so very much.** I have had so many lovely comments: one nice one was that she just couldn't believe this could happen in Andreas – well it can, and it did - so THANK YOU from us all!!

Yours sincerely,
