Ballapaddag, Cooil Road
Douglas
Isle of Man

Dear Katie

I write on behalf of Breakthrough Breast Cancer (IOM) to thank you so much for all your support for our recent Bra Dash. The event was a huge success but we really could not have achieved this without you. The bananas were very well received by our Dashers, especially as most of them had given up their lunch time to attend! Donations are still rolling in but as soon as we can we'll let you know this year's total.

Breakthrough Breast Cancer is a pioneering charity who fights on 3 fronts, research, raising awareness and campaigning for better services. One day Breakthrough's aim is to find a cure and better still prevention of this disease.

Here in the Isle of Man our charity is run entirely by volunteers to help promote the work and research of Breakthrough Breast Cancer in the UK. On the island, most importantly we raise awareness of this disease to women and men across the island, we raise much needed funds to enable the research to continue and we also campaign for improved services to assist breast cancer patients in many ways.

With kind regards

Kim Makin – Volunteer Secretary
Breakthrough Breast Cancer (Isle of Man) Group
