

*Thank
you*

On behalf of Colby Football Club

*I would like to thank you for your kind donation to our Annual Mhelliah. We were amazed with the amount of produce that was donated and are pleased to tell you we made a grand total of £1080 which Barclays Bank have kindly match funded (up to £1000) so we are delighted to say we have made **£2080-00** all in all.*

These funds will go towards making a wonderful football future for our young players where we can nurture them into fine young men and women players.

*We could not have made this money without your help so again **THANK YOU***

Yours Colby AFC
