Dear Mr Horthuis,

Re: Evening of Manx Music and Verse - The Abbey Church, Ballasalla

I am writing to thank you for your generous donation of a £20 voucher, as a raffle prize at the above event. This was a much sought after prize and the winners were delighted.

I enclose a copy of the programme so that you can see we acknowledged your support on the back.

You will be interested to learn that we made a profit of £1,433, of which £428 was from the raffle.

Although we have now paid for the Abbey Church's audio system, the concert was so successful in celebrating the Manx way of life through music and verse that we have been persuaded to repeat it next year, with half the proceeds going to the IOM Hospice and half to church funds.

Thank you again for your support of this community event.

With best wishes
Yours sincerely

Roy Storrs
