Dear Mike

**The Firefighters Charity - Sara Killey Memorial Walk**

Further to the successful completion of this years 'Sara Killey Memorial Walk' and on behalf of the Isle of Man Branch of the Firefighters Charity, I write to express our thanks for the kind donation of two boxes of bananas in support of the event.

Over one hundred and ninety three competitors entered the race and in doing so raised approximately £2,900.00 in support of the charity. Without doubt, I can confirm that the bananas offered at the various feeding stations proved extremely popular and I'm sure many of the walkers continued beyond personal milestones having gratefully received valuable sustenance.

Once again, many thanks.

Yours sincerely
