Dear Linda,

I would like to thank you and your colleagues for your recent donation to Leonard Cheshire Disability. It was very kind of you to think of us on this occasion. As I mentioned when we met, frequently charities like ours are not given such consideration, which makes it all the more heart-warming when people like you do so.

We have a number of different ways in which these funds will be put to good use, such as our Computer Drop in Centre which was developed entirely from the time, money and expertise of volunteers and voluntary funds. If you or your colleagues would like to know more about how we have used voluntary funding, I would be delighted to meet with you again.

I would like a copy of the presentation photograph if that is possible? Please e-mail me keith.fitton@LCDisability.org

Yours sincerely,

Keith Fitton
Service Manager
