Dear All

We are writing to express our sincere thanks for your donation to the RDCH Community Garden Party.

The day went extremely well despite some wet weather and we were able to raise approx £1,455.00, which will be divided between three charities serving the local community:- Northern Neighbours, First Responders and The Ramsey Young People's Project.

We would not have achieved this without so many generous donations of time, resources and prizes. Once again our sincere thanks.

Yours sincerely
